mBot kutija

The image shows a stylized representation of an mBot robot. It consists of a white rectangular body with a blue border. The top half of the body is a white rectangle with a blue border, and the bottom half is a white rectangle with a black border. A black semi-circle is attached to the top center, and a black vertical bar with a rounded bottom is attached to the bottom center. A yellow star-like symbol is located in the bottom right corner of the white body.
